

PROMOTING THE AMERICAN **QUARTER HORSE**

The Board of Directors of IQHA, are giving you the opportunity to jump aboard our campaign for the new yearly magazine we are promoting for IQHA.

It will be going to press in December 2014 for a shipping date of January 2015. This magazine will be distributed not just in Idaho, but the surrounding states as well. With a first year printing of 20,000!

We are very excited and want every member to have the first opportunity to get their spot in the Inaugural publication.

Please support your State of Idaho AQHA Affiliate, Idaho Quarter Horse Association in launching this very exciting addition to IQHA.

The proceeds from the Idaho Quarter Horse Life will help to promote the American Quarter Horse.

Thank you for your support.
